MANY TEACHERS TO BE HIRED.

Principal Hardy Becomes a Professor in the College of the City of New York.

The public schools in this city will reopen on next Tuesday, when teachers as well as scholars will realize what has been done during the vacation season for their well-being and comfort. In the majority of the schools the boys and girls will find that asphalt has taken the place of boards as flooring for playgrounds. Nine new school buildings nave been completed, and all of them are fireproof.

These new buildings have been erected the Twelfth, Seventeenth, Nineteenth and Twenty-second wards, where in-creased school accommodations were sorely needed. The Twelfth Ward is the at favored in this respect, four new
